DETAILED ACTION

Claims 8-23 are presented for examination.

This is in response to request for amendments filed August 21, 2007 Continued Examination Under 37 CFR 1.114.

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on August 21, 2007 has been entered.

Allowable Subject Matter

Claims 8-23 are allowed over the prior art of record.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding Independent Claims 8 and 18, Applicant's particular data control for duplicating data in a primary system and secondary system connected to each other into a disk drive registering a log based on an update which can be recreated, copying the log registered disk drive into the first storage device to a disk drive within the second device, the second storage device being set to duplicate the log, updating the first storage device, notifying the second computer system of the change in the disk drive and as a result, copying and reading the change in the disk drive, updating a duplicate of the data based on the log read by the second computer system the duplicate data being stored in the second storage device in combination with the

other limitations of the claims, was not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

The dependent claims, being further limiting to the independent claims, definite and enabled by the Specification are also allowed. The closest prior art fails to anticipate or render Applicant's limitations above obvious.

As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

Other Prior Art Made of Record

The prior art made of record and not relied upon is considered pertinent to Applicant's disclosure. U.S. patents and U.S. patent application publications will not be supplied with Office actions. Examiners advises the Applicant that the cited U.S. patents and patent application publications are available for download via the Office's PAIR. As an alternate source, all U.S. patents and patent application publications are available on the USPTO web site (www.uspto.gov), from the Office of Public Records and from commercial sources. For the use of the Office's PAIR system, Applicants may refer to the Electronic Business Center (EBC) at <http://www.uspto.gov/ebc/index.html> or 1-866-217-9197.
